

# Nuclear Communities: listen and be heard

***Council Chamber, Town Hall, Ipswich IP1 1DH***

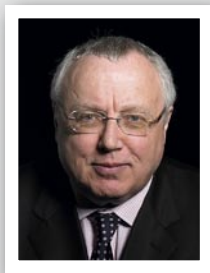

***6.30–8.30pm, Tuesday 29 November 2011***

**Why:** New nuclear reactors are being planned in East Anglia, at Sizewell and Bradwell. Get Involved. The speakers are high-level opponents of proposed new nuclear.

**Who will be there:** People from Ipswich, people living near proposed new-build, MPs, local councilors, local authorities, environmental groups, academics, experts, Nuclear and environmental regulators, nuclear industry, government departments, academics, students, media and press.

**What will happen:** This is an open and free public meeting – all are welcome.
